

Congresswoman Gabrielle Giffords and Pima County Public Library
present

Solar Power 101

A Community Education Series on Solar Energy

Solar Path

As a local installer, Solar Path will present an overview of residential photovoltaic solar energy system choices and installation steps.

Solar Energy International

SEI is a non-profit educational organization that trains contractors to use renewable energy resources and sustainable building technologies. They will speak on the trainings they offer and national solar energy trends.

Town of Oro Valley

Representatives from Oro Valley will speak on how the town is moving ahead with solar energy, energy efficiency and conservation.

Solar Power for the Home - Getting Started

The basics of solar energy residential systems.

Thursday, February 25, 2010, 6-8 p.m.

Oro Valley Public Library

1305 W. Naranja Drive, Oro Valley

On the south side of Naranja, just east of La Canada

Space is limited for this presentation

Please RSVP by Monday, February 22: RSVPsolar@mail.house.gov or (520) 881-3588
